RE: Small Mine Permit Closure: Permit # S490087, S490081

Dear Ms. Abate,

TM Crushing, LLC., is requesting the closure of the small mine permit for the Talons Cove pit. The closure of the small mine is due to the opening of a large mine permit for the Talons Cove pit. We request that all closures of the permit coincide with the opening of the new permit. We do not want any lapse in permit coverage.

Please let us know if there is anything further that you need to close the small mine permit.

Sincerely,

Nick Baird
